

# AAC 221 & 221 Soft

PRODUCT FACT SHEET

## AAC 221

DESIGN BY HEE WELLING, 2022

The AAC 221 counterbalances the more formal expression of the aluminum swivel base with the softness of the upholstered shell. Retaining the fundamental idea shared by the AAC collection, this variant is characterized by a curved shell with a slightly higher back. Designed with optimal functionality in mind, the shell construction offers a deep, generous seat that combines inviting aesthetics with a high level of comfort, whilst the lower armrests provide good support and enable the chair to fit underneath a table or desk. The base is available in either polished or powder-coated aluminum, with the shell offered in a variety of regular and quilted upholstery options. The multitude of variants and design combinations give this series a versatile expression that makes it suitable for a wide variety of corporate, private, and public contexts.

### HIGHLIGHTS

- Part of a multi-functional indoor family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- The curved shell has a slightly higher back and a deep generous seat.
- Lower armrests offer good support, whilst enabling the chair to fit underneath a table.
- All shells are made from 100% recycled post-consumer plastic.
- Available with full upholstery, a standard and a soft quilted version in all standard fabrics and leathers.
- The aluminum base comes in two finishes.
- Other base options are: Molded plywood base, solid wood base, 4-leg steel tube base and 5-star swivel base with wheels and gas lift.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

## **SUSTAINABILITY**

HAY focuses on developing long-lasting products that minimize our environmental impact. We optimize the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

## **WARRANTY**

HAY provides a 5-year product warranty.

Please contact the HAY sales team for further information about the warranty terms and conditions.
