

Mirage Overbed Table

The Mirage Overbed Table is a handy addition to patient rooms. It rolls up to patients, offering convenient access to personal items. The main surface adjusts vertically to provide a custom fit as patients come and go. Add optional lower trays for extra functionality—for both patients and caregivers. Design features make cleaning easy, while a sturdy steel frame ensures years of durability. The table offers two base styles for use with either beds or chairs.

Benefits

- Gives patients convenient access to meals, snacks, phones, books, and other personal items
- Optional lower trays give patients extra storage and aid caregivers by keeping supplies at hand
- One-handed mechanism adjusts height within a 17-inch range to support every patient and application

Warranty

5-Year, 3-shift
